

INDEX MS52C

Kind : Cnc multispindle lathe
Manufacturer : INDEX
Model : MS52C
Year : 2010
Serial : M160179
Stock : 10248

TECHNICAL DETAILS

- | | |
|------------------------|--|
| - Number of spindles | : 6 independent |
| - Bar clearance | : 52 [mm] |
| - Max. spindle speed | : 5000 [Rpm] |
| - Spindle power | : 29 [kW] |
| - Slide unit 1.1 | : axes X and Z controlled by CN |
| - Slide unit 2.2 | : axes X and Z controlled by CN |
| - Slide unit 3.1 | : axes X and Z controlled by CN |
| - Slide unit 3.2 | : axes X and Z controlled by CN |
| - Slide unit 4.1 | : axes X and Z controlled by CN |
| - Slide unit 4.2 | : axes X and Z controlled by CN |
| - Slide unit 5.1 | : axes X and Z controlled by CN |
| - Slide unit 5.2 | : axes X and Z controlled by CN |
| - Slide unit 6.2 | : axis Z controlled by CN + SCARA axis |
| TRANSFORMATION X and Y | |
| - Supply | : TN 50 Hz, 400 [V] |
| - Weight | : 6000 [kg] |
| - Functioning hours | : 61 166 hours |
| - Production hours | : 14 585 hours |

Kind : Cnc multispindle lathe

Manufacturer : INDEX

Model : MS52C

Year : 2010

Serial : M160179

Stock : 10248

EQUIPMENT

- Control INDEX C200-4D
- Filtration Knoll
- HP pump 40 bars/55l/mm
- Fire extinguisher Kraft & Bauer
- Robot Staubli TX90
- Coolant through tool
- 6 coolant through spindles
- Chip conveyor
- Isolation transformer
- Refrigerating unit
- Oil mist extractor Buchel
- Status lamp 3 colors
